North Haven, 7 Oct. 1850

My Dear Sir —

I feel gratified by the request from your Society, & regret that it is not consistent with existing engagements & duties, to comply fully with it. I have some hope, that I may be able to visit Princeton, for a day or two, in the course of four or five weeks. If so, I shall be most happy to meet your Society. This is the most, that I can promise at present.

Be assured of my deep interest in the object of your Society, & trust I shall be more than willing to contribute any thing which I may be able, whenever Providence shall seem to direct.

Yr. Ob. & Ser.
